THE CHALLENGE

Running a business should not feel this complicated.

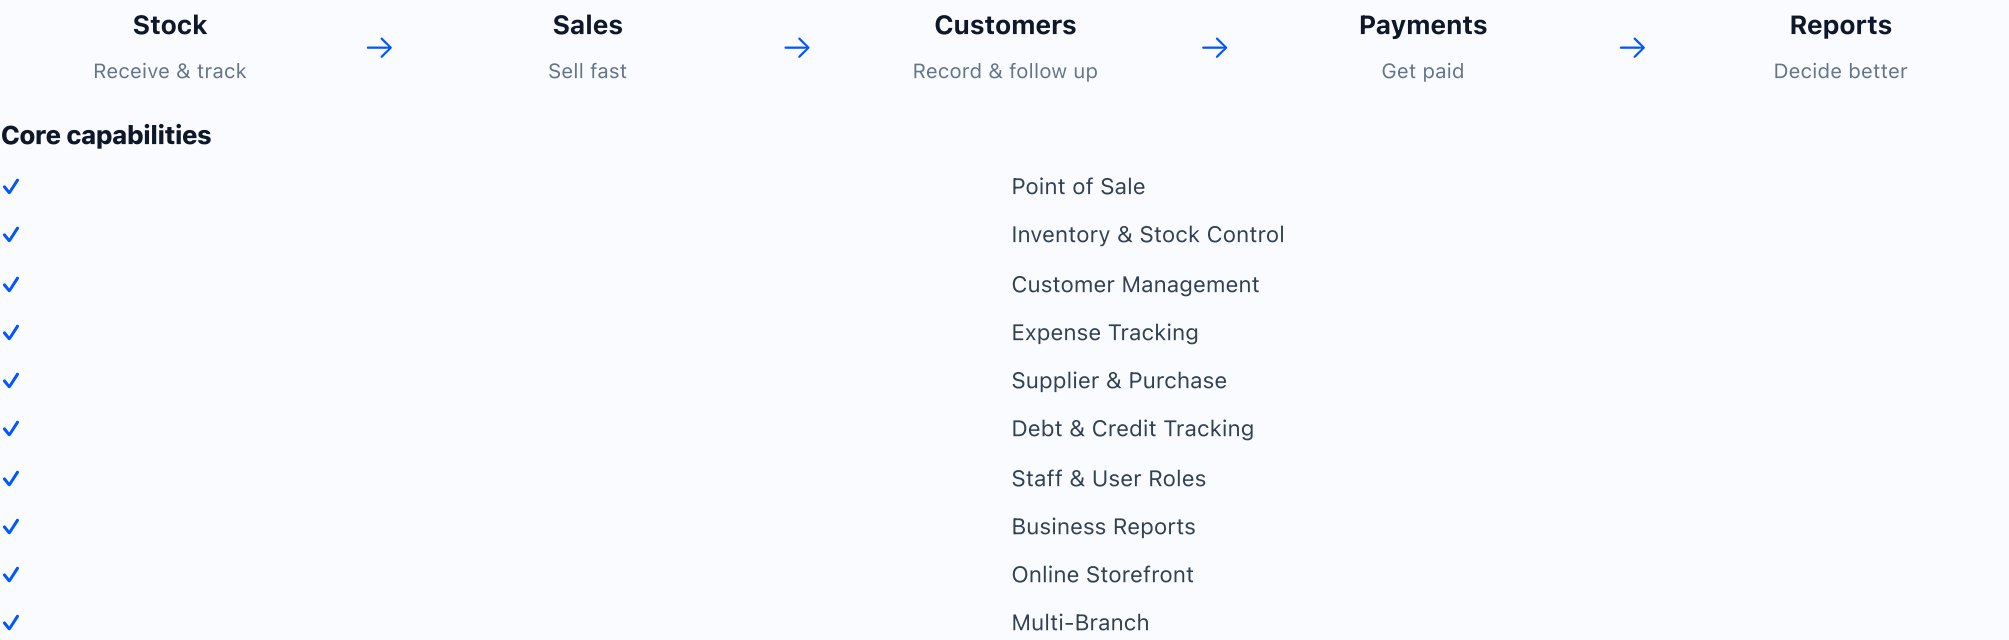

Many businesses still struggle with:

- Unrecorded or inaccurate sales
- Missing stock and unexplained losses
- Difficulty monitoring branches and employees
- Customer debts that are forgotten
- Poor visibility into expenses and profit
- Information scattered across notebooks, spreadsheets and WhatsApp
- No easy way to sell online

MartPoint brings these operations together so you can see what is happening in your business and make better decisions.

More Than a POS. Your Complete Business Operating System.

MartPoint helps you manage daily activities—from the moment a product enters your store to the moment it is sold.

FEATURES

Stay in Control—Wherever You Are

Everything you need to run your business in one place.

Know What You're Selling

Record sales, issue receipts and monitor cashier activities from any device.

Control Your Inventory

Track stock levels, transfers, purchases, batches and low-stock items in real time.

Understand Your Customers

Keep customer records, buying history, loyalty information and outstanding debts.

Monitor Your Money

Track expenses, payment methods, receivables and daily business performance.

Manage Your Team

Create staff accounts and control what each person can access and change.

Make Better Decisions

View practical reports without waiting for someone to prepare them.

INDUSTRIES

MartPoint Adapts to the Way You Work

Whether you sell products, provide services or do both, MartPoint can be configured around your operations.

-  Supermarkets & Mini Marts
-  Pharmacies
-  Fashion & Beauty Stores
-  Electronics & Phone Stores
-  Restaurants & Bakeries
-  Salons, Spas & Barbershops
-  Laundry Businesses
-  Building-Material Stores
-  Service Businesses

Take Your Business Online

Your business is no longer limited to your physical store.

Every eligible MartPoint business can have an online storefront where customers can:

- Browse available products or services
- Place orders from their phones
- Pay online where enabled
- Send their cart through WhatsApp
- View promotions and featured products
- Track their orders

Manage physical and online sales from the same system.

CONTROL

Built for Business Owners Who Want Control

See your business even when you are not there.

- Know daily sales from anywhere
- Identify low-stock and fast-selling products
- Reduce stock loss and manual errors
- Monitor different branches
- Control staff access
- Maintain reliable business records
- Improve customer follow-up
- Receive support and guided onboarding

Works online with offline options

Available for supported deployments.

Secure role-based access

Each employee sees only what they need.

Your Business Has Outgrown Guesswork.

Start managing your sales, stock, customers and operations with MartPoint.
