

Commercial / Commission Schedule

The exact earning basis, eligible revenue, exclusions, clearance conditions, holding period, adjustments and payment process that apply to the named partner.

i How to use: this schedule is completed per partner and signed alongside the Partner Agreement. It controls the partner's specific commercial terms and prevails over the general programme guide.

1 Partner details

Partner legal name

Grade at signing

Effective date

MartPoint contact

2 Earning basis

Tick and complete the basis that applies. Any basis not listed here does not apply.

BASIS	RATE / FEE	NOTES
Referral commission	_____ % of eligible revenue	Applies after payment clearance and licence activation
Acquisition commission	_____ % of eligible revenue	Channel partners only
Renewal commission	_____ % of eligible revenue	Only while the partner remains assigned and completes renewal activities
Implementation fee	_____ fixed / milestone	Per signed Work Order — not a licence percentage
Technology economics	_____	Product margin, development, subscription or integration fee
Payment provider terms	_____	Per Provider Agreement — settlement, reversals and reporting

3

Eligible revenue

Commission or fees are calculated only on **cleared MartPoint licence payments** made by an eligible referred or assigned customer through an approved payment route, after the required licence activation is completed.

4

Exclusions

- ✖ Names, contact details, meetings, demonstrations, quotations, verbal commitments or registered leads.
- ✖ Invoices issued but not paid, or payments that fail, are reversed or refunded.
- ✖ Taxes (including VAT), hardware pass-through, third-party fees and expenses.
- ✖ Payments collected outside an approved route, including any amount collected by the partner without written authorisation.
- ✖ Other exclusions: _____

5

Clearance conditions & holding period

A commission or fee becomes eligible only when all of the following are satisfied:

- ✔ Customer payment clears through the approved payment route.
- ✔ Required licence activation is completed.
- ✔ Holding period of _____ days passes without refund or reversal.
- ✔ Any further conditions in the signed _____ schedule:

6

Adjustments

Refunds, chargebacks, failed activations and credit notes reduce or reverse the related commission or fee. MartPoint may offset adjustments against future payouts and will show each adjustment on the partner statement with a reference.

7

Payment process

Statement cycle _____ (e.g. monthly)

Currency _____ (default: NGN)

Minimum payout _____

Payout method / details _____

Finance contact Route shown in the partner's Activation Confirmation

Payment reference Shown on each partner statement line

⚠ Remember: lead registration protects attribution — it does not create a debt or guaranteed commission. No payment arises for names, meetings, demos, quotations or unpaid invoices.
